Cat. 6	Products with oral and lip exposure	On request
Cat. 7.A	Products applied to the hair with some hand contact, rinse-off	29.90 %
Cat. 7.B	Products applied to the hair with some hand contact, leave-on	29.90 %
Cat. 8	Products with significant ano-genital exposure	1.30 %
Cat. 9	Products with body and hand exposure, primarily rinse-off	29.00 %
Cat. 10.A	Household care products with mostly hand contact, excluding aerosol/spray products	90.50 %
Cat. 10.B	Household care products, aerosol/spray products	100.00 %
Cat. 11.A	Products with intended skin contact but minimal transfer of fragrance to skin from inert substrate, without UV exposure	1.30 %
Cat. 11.B	Products with intended skin contact but minimal transfer of fragrance to skin from inert substrate, with potential UV exposure	1.30 %
Cat. 12	Products not intended for direct skin contact, minimal or insignificant transfer to skin	100.00 %

3. Remarks

For other kinds of application, or use at higher concentration levels, a new evaluation may be needed; please contact Fragrance Hub Germany. “Not permitted” means the fragrance mixture must not be used in this category.

This certificate is only valid for the fragrance mixture identified above, as supplied by Fragrance Hub Germany, and must be used in the format in which it is provided. The responsibility for the safety and regulatory conformity of the finished product lies with its manufacturer.

This document is issued under the responsibility of Fragrance Hub Germany as the EU supplier placing the product on the market. It is based on the original technical documentation of the upstream manufacturer, which is kept on file and may be disclosed to competent authorities upon justified request. The product is supplied in its original formulation without modification.
